## PARKING UPDATE

To: NFCC Clients & Visitors

We want to make you aware of some minor construction happening in our parking lot. It will take about one week to complete and will occur during the month of February.

During this time, we will open both gates to our parking lot, for your convenience.

We ask that everyone who is able, to enter our parking lot through the gate on Kipling. Our main entrance on Joanel will remain open and reserved for those needing to park close to the front door. Questions? Please ask the front desk.
