NICK FINNEGAN COUNSELING CENTER'S

Crack 'em for a Cause ANNUAL CRAWFISH BOIL

APRIL 25, 2026 | 11AM TO 2 PM | WAKEFIELD CROWBAR

The Nick Finnegan Counseling Center's (NFCC) mission is to provide high-quality, affordable, and accessible mental health counseling to individuals and families in our community, along with outreach programs in local schools, businesses, and partner organizations. NFCC believes that differences such as age, finances, or beliefs should never get in the way accessing care. In 2025 alone, NFCC served approximately 700 individuals through counseling and an additional 3,500 individuals through outreach efforts.

In Texas, the gap between mental health needs and access to care is especially pronounced. More than 26% of Texans report being unable to obtain needed counseling or therapy, most often due to cost or a shortage of providers, leaving many without support at critical moments in their lives.

As event chairs, we are honored to support an organization making a tangible difference in the mental health and well-being of our city. We invite you to support the Nick Finnegan Counseling Center through a sponsorship of the 16th Annual Crack 'Em for a Cause Crawfish Boil, taking place on Saturday, April 25, 2026, from 11:00 a.m. to 2:00 p.m. at Wakefield Crowbar.

This family-friendly event features all you can eat crawfish, chicken tender meals for kids, face painting, balloon animals, and more — all in support of a vital mission. Sponsorship information is enclosed, and we hope you will consider partnering with us to help carry on Nick Finnegan's legacy and ensure access to mental health care for those who need it most.

Thank you for your consideration and continued support.

Sincerely, your 2026 Event Chairs,

Jane and John Heard

Carly and Anthony Lukefahr
